The **Rochester Amateur Radio Association, Inc. (RARA)** is a widely diversified, highly active amateur radio club located in Rochester, NY. We were founded in 1931 and incorporated in September of 1960. Currently, with over **600** active members, we are one of the largest Amateur Radio clubs in North America, including many international members. Our annual Hamfest attracts thousands of attendees from far and wide. **RARA** provides a unifying focal point for much of the Amateur Radio activity in Western New York; focusing on education, entertainment, and camaraderie.

RARA holds monthly meetings on the first Wednesday of each month at the Seneca Waterways Council, BSA headquarters at 2320 Brighton Henrietta Town Line Rd. Meetings begin at 7PM.

The Rochester Amateur Radio Association, Inc. is a 501(c)3 Educational Corporation.

RARA TrifoldV1.0

PUBLIC SERVICE

RARA members, in cooperation with ARES and RACES, provide reliable communications during disasters and other emergencies at the local and national level. RARA members participate in more than two dozen public service events each year. Our extensive Public Service activities help build public awareness and generate goodwill toward Amateur Radio, provide needed communications to worthy charities and non-profit organizations, all while fostering and enhancing emergency communication preparedness.

- ◆ Tour de Cure
- ◆ Genesee Valley Hunt Horse Trials
- ◆ Bike MS: Finger Lakes Challenge
- ◆ Walnut Hill Driving Competition
- ◆ Bike MS: ROC the Ride
- ◆ Fairport Lift Bridge Regatta
- ◆ Barktoberfest
- ◆ Jamboree on the Air
- ◆ Pumpkin Patrol

EDUCATION

For many years, RARA has sponsored spring and fall licensing courses in the Greater Rochester area. These courses cover all license classes and provide many opportunities to prepare for a new license or upgrade.

COMMUNITY

RARA and the Boy Scouts of America partner to form the RARA Venture Crew, a youth development program for young men and women who are between the ages of 14 and 21. Our Scouts explore all facets of radio electronics. While advancing through the ranks of Scouting they also advance through the levels of FCC licensing. Our Scouts are active participants in public service events as well as RACES and ARES activities. The highlight of their year is Field Day which combines camping with emergency preparedness.

MEETINGS AND GUEST SPEAKERS

RARA meets regularly on the first Wednesday of the month, August through June. July is our annual picnic. Each month, a new and interesting guest speaker joins us to entertain and educate, covering a broad spectrum of topics. Meeting topics range from the non-technical fundamentals of electronics and Amateur Radio to the highly-technical intricacies, pushing the boundaries of Amateur Radio.

MEMBERSHIP REWARDS

Any member who performs a service for the club, such as volunteering at a public service event or holding a non-elected office, is rewarded with points. The points are accruable and redeemable for payment of membership dues or for tickets to our annual banquet.
